

Directions for Career Cord PowerPoint

Your PowerPoint should include information from the areas below. You may personalize it by adding pictures and interesting backgrounds.

Slide 1:

Name:

Graduation Year:

Pathway: (example) Health Sciences

Cord: (example) Medical Professions

Slide 2:

Who am I? This slide could include information about you such as where you are from or are you the only child. Have you always lived in California? etc.

Slide 3: What am I about? Include on this slide things you like to do and what interests you.

Slide 4: What are your strengths? Indicate on this slide information about what you excel at. Try to tie your job shadow experiences into strengths that you could bring to a future career.
Reference your Job Shadow Debriefing Form.

Slide 5: Describe your skill set? Give examples of what you offer as a potential member of the workplace.
Reference your Life Skills Assessment (Part of the Career Cord Portfolio Survey in Naviance).

Slide 6: Describe possible careers within your Pathway for the future.
Include job market, salary potential, etc.

Slide 7: What are the educational/training requirements to obtain a career within your pathway?
Reference Postsecondary Educational Plan (Part of the Career Cord Portfolio Survey in Naviance).

Slide 8: Lessons learned? This slide should include the main things that you learned about a career in this Pathway. What impressed you and what did not impress you?

Slide 9: Personal insight into the value of this experience.
Reference what this experience meant to you and what you gained from it.

Slide 10: Is this the Career Path you plan to pursue? It is just as important to know what you do not want to do for a career as it is to know what you do want to do for a career. Indicate on this slide if you plan to pursue a career within the path of the Career Cord that you will be receiving at graduation. Please give examples of why or why not.
